EDGE TABLE LAMP

\$1,500

DESCRIPTION

Crafted of ceramic in a glossy black glaze, the body of this exquisite table lamp strikes a sculptural silhouette with irregular sides and sharp edges that evoke the shape of an obsidian rock. A fabric drum shade with a black and golden brown honeycomb pattern completes the design, diffusing soft light throughout the room. Suitable in a variety of interior aesthetics, this table lamp will be the focal point in a living room or entryway, and a sophisticated accent in a bedroom. Other RAL colors are available, please ask the Concierge for details.
