## EDIE '60 BLACK AND WHITE VASE BY ELENA CUTOLO

\$3,780

### DESCRIPTION

This unique vase designed by Elena Cutolo for Purho is part of a limited edition inspired by Andy Warhol's muse, Edie Sedgwick. An icon of the 60s style, Edie is represented here in a stylized rendition of her oversized black and white checkers socks and star-shaped earrings. This piece is available also in a red/white and green/white color combination, with or without the two earrings-inspired decorations. This piece will make a statement either alone, to brighten up a side table, or combined with the other items in the Edie '60 series, for a dynamic effect on a console.
