EDIE '60 GREEN VASE BY ELENA CUTOLO

\$4,010

DESCRIPTION

Part of a limited edition, this vase was designed by Elena Cutolo, student of legendary architect Ettore Sottsass. It was crafted of mouth-blown Murano glass and shaped in an elongated shape in white with an asymmetric net of crossing emerald green lines, while the sides are accented with star-shaped earrings, evoking the carefree and glamorous style of Edie Sedgwick, who epitomized the '60s with her wardrobe and jewelry.
