## EDINBURGH PLATINUM SET OF 6 GOBLETS

\$1,405

### DESCRIPTION

This exclusive crystal set of six goblets for wine-serving makes for a superb example of a traditional design enriched by an opulent twist. Glaring platinum is applied with minute brushstroke along the base, rim, and pantographed floral motif of unmistakable Baroque inspiration. Defined by a sinuous step and softly faceted texture at the bowl's lower surface, these glasses distill noble flair.
