Hebanon Fratelli Basile

SET OF TWO EILEEN CHAIR

\$5,670

DESCRIPTION

Inspired by the elegant designs of the 30s and 40s, this chair is in iron with a brass finish, whose back three-rod structure continues till the top. The striking velvet covering the unified back and seat cushions is preciously adorned with a "daisy" embroidery and Swarovski crystals applications dedicated to Eileen Gray, with an H embroidered in a corner of the seat. The timeless Hollywood charm of this chair makes this piece functional and sophisticated.
