ELEGANT ACINO GLACETTE IN COPPER WITH ENGRAVINGS

\$1,680

DESCRIPTION

This exquisite glacette is a one-of-a-kind piece of functional decor, thanks to its masterful craftsmanship. It was entirely crafted by hand of pure copper, whose high conductivity keeps the bottle stored within at the right temperature. The decorative theme of vine and grape in a superb engraving graces the outside of the piece and its handle. This striking object will become a family heirloom.
