**ELGIN SMALL SCULPTURE BY ALESSANDRO MENDINI**

\$1,610

## DESCRIPTION

This elegant statuette is made entirely in ceramic and was designed by Alessandro Mendini for Superego as part of a 12-column collection featuring abstract forms, gentle curves and colorful charm. In this case, black and turquoise meet to create a sophisticated silhouette that can evoke the shape of a goddess or the powerful verticality of a totem. Part of a limited 50-piece series, this decorative sculpture will enrich any decor.
