ELLIS BLACK CHAIR

\$785

DESCRIPTION

Merging traditional aesthetic and modern innovation, this refined armchair is defined by clean lines captured in a minimalist silhouette. Entirely crafted of steel with a jet-black finish, this piece features tubular legs and a curved backrest that flows into the armrests with an elegant twist. The woodem seat has a light finish and is balanced on two crossed steel bars. Decisive and strong, yet comfortable and welcoming, this versatile armchair will stand out in a modern dining room or office decor.
