ELONGATED PENDANT LAMP IN WHITE GLASS

\$4,735

DESCRIPTION

Showcasing a unique silhouette made of cylindrical grooved diffusers in white glass that taper while approaching the lamp's extremities, this outstanding pendant lamp will catch the eye in any sophisticated contemporary interior, thanks to its imposing and elegant profile. Coming with a ballast of 24V, a single LED strip of 75 W is hosted in the metal frame, enriched with a prized gold plating.
