EMERALD AND MUSTARD COUTURE GEOMETRIC BICOLOR POUF

\$1,435

DESCRIPTION

Jewel tones galore in this pouf from the Couture Geometric Collection. On a beechwood base, the pouf is padded and upholstered with velvet, allowing to use it as a seat or accent table. From a full collection of poufs with viscose fringe, it's possible to pair the mix and match the pouf with different pieces to create a unique personal set.
