EMERALD MOTH RING

\$350

DESCRIPTION

A captivating exercise in sculptural details and modern motifs, this singular ring can be combined with other pieces from the Moth series for a sophisticated look. The open, adjustable ring is fashioned of 925 silver and boasts a crown with a moth charm, the realistic details in the body contrasted by the slender wings with an emerald green enamel finish. Distinguished by a captivating visual and textural contrast, this ring will exude dynamic energy inspired by nature. Available also in brass upon request.
