Silvia di Piazza

EMILY RUG

\$18,450

DESCRIPTION

This playful and whimsical rug was hand tufted by Silvia Di Piazza from a design by Benedetta Bartolucci for Redville. The closeup on a stylized face, rendered in bold strokes of black over a red and off-white background, will add character to a contemporary interior. The top is crafted of 100% virgin wool and is attached to the bottom in polyester with a back in anti-slip natural latex that also protects the piece.
