Possoni Illuminazione

EPOQUE SCONCE

\$465

DESCRIPTION

Part of the Epoque Collection of elegant pieces, this sconce is marked by a simple design with retro-flair handcrafted with exquisite attention to detail. The structure is entirely crafted of brass with an antique finish and is mounted on the wall with a round plate. The curved arm is topped by a white fabric coolie shade accented with black trim and a pattern of elongated diamonds. Best showcased with the other pieces of the same collection to bring an overall sophisticated look, this sconce will mesmerize in multiples along a hallway or in pairs flanking a mirror in a foyer.
