LIGHTING : FLOOR LAMPS

Olive Lab

EQUILIBRIO BLACK FLOOR LAMP

\$470

DESCRIPTION

An exclusive interplay of hand-craftsmanship and innovative design, this floor lamp's versatility comes from its simplicity and bold functionality. Crafted of iron with a black finish, this lamp lacks structure without the presence of magnetic forces: two symmetrical tubes (one light source) have ringed magnets on either end that allow them to defy gravity and create a force strong enough to float in mid-air. This lightweight and dynamic design will be the focal point of any living room, bedroom, office, or foyer. Recommended height: 165 cm from the floor, and 350 cm from the ceiling. To install the lamp, it is necessary to mount a fischer plug on the ceiling (no wiring is needed from the ceiling). The standard product can be installed in rooms having a maximum height of 3 m. The length of the cable is customizable.

DETAILS & DIMENSIONS

- Material: Iron
- Dimensions (in): W 2.76 x D 2.76 x H 64.96
- Dimensions (cm): W 7 x D 7 x H 165
