## EQUILIBRIO BLACK WALL LAMP

\$520

### DESCRIPTION

This wall lamp is a stunning testament to minimalist design of sophisticated allure. A unique example of exquisite and innovative craftsmanship, this versatile piece is simply composed of two symmetrical tubes, one light source and a matte-black metal piece, held together by ringed magnets creating a strong, unifying force that challenges gravity. This object will be statement piece in any modern interior, and the recommended floor height is 185 cm (full height is 380 cm).
