ESA BLACK STEEL STACKABLE CATCHALL BOX

\$310

DESCRIPTION

This ultramodern stackable catchall box is crafted of form-folded metal and steel featuring a mirrored finish interior and a padded cushion. The three hexagonal modules measure 5 cm, 7.5 cm, and 10 cm in height, two boasting a black matte finish and the larger one a black-decorated stainless steel. This distinctive, highly functional piece is perfect for all mini-storage needs. Size and materials can be customized upon request, contact the Concierge for further details.
