## ESA WHITE AND WOOD STACKABLE CATCHALL BOX

\$310

---

### DESCRIPTION

This sophisticated catchall box is a distinctive accessory for storing small everyday objects. Its stackable hexagonal design includes three elements (height 5, 7.5, and 10 cm), of which two are crafted of form-folded metal with a white, anodized finish, and the larger one is crafted of Canaletto walnut wood. The interior has a mirrored finish and includes a padded cushion. This exquisite piece of functional decor is customizable on request, please contact the Concierge for further details.
