ESOTICA SIDEBOARD

\$8,780

DESCRIPTION

Part of the Esotica Collection designed by Ferdinando Meccani, this sideboard is crafted entirely of wenge, a very dark timber with a distinctive wood pattern, with a sleek and essential frame. Composed of two elements, each measuring 80 x 45 x h 85 cm, this cabinet showcases four open compartments on top and four on the lower part with doors accented with round cut-out knobs. The dimensions can be customized upon request as is the type of wood (choice of walnut, American dark walnut, cherry, maple, and oak).
