## ESOTICA TALL CABINET BY FERDINANDO MECCANI

\$4,390

### DESCRIPTION

Stately and elegant, this cabinet will add rustic-chic flair to any interior, where it can provide a functional space to store tableware and linens in a dining room, or media accessories, books, and decorative objects in a living room. The solid frame in dark-stained wenge has a plinth base and features four square compartments. The top two open and the bottom is accessorized with three drawers. This design by Ferdinando Meccani is customizable in walnut, American dark walnut, cherry, maple, and oak. Designed in 1972.
