ESSENTIA CYLINDRICAL CARAFE

\$430

DESCRIPTION

Revisiting a classic tableware staple with modern aesthetic sensibility, this sleek carafe is defined by a tall cylindrical body that opens to a wide, diagonally cut mouth. An angular yet sturdy handle supports the carafe to allow for easy pouring. With a maximum capacity of 1.3 liters (22 cm diameter), this carafe is an elegant and functional solution for an everyday table. Monogramming available upon request.
