ETERICA CUP

\$1,285

DESCRIPTION

This unique cup was made in copper with a varnished finish and plays with the concept of empty and full volumes recreating the silhouette of a sphere cut in several parts with the shape of a pear. Part of the limited edition "Masterpieces" series that uses noble materials to create objects that go beyond the limits of tradition, this piece will be an elegant centerpiece on a dining table, or a versatile bowl to place in an entryway.
