## ETNA SIDE TABLE AND MAGAZINE RACK

\$2,310

### DESCRIPTION

Magnificently evoking the energy of the Etna volcano in a rigorous and modernist silhouette, this magazine rack is a splendid object of design. Its Canaletto walnut cylindrical base is split in the middle where a saddle-shaped structure in black is inserted, extending over both sides to create two shelves at different heights that function as shelves.

### DETAILS & DIMENSIONS

- Material: Walnut wood
- Dimensions (in): W 25.59 x D 17.72 x H 28.74
- Dimensions (cm): W 65 x D 45 x H 73
- Handmade In Italy
