## ETOILE BAR CABINET

\$23,280

### DESCRIPTION

Part of the Etoile collection, this cabinet can be displayed alone in a modern or classic bedroom, or it can be combined with the other pieces from the same series for a lavish look. Inspired by art deco furniture, this design was handcrafted of rosewood and maple and rests on a base in Toulipier wood with a gold finish. The two doors feature a stunning decoration of maple inlays that create a geometric decorative pattern with a round central element, adorned with mother-of-pearl inserts. The interior is painted with red lacquer and features three drawers and two glass shelves with a back mirror.
