ETTORE OCTAGONAL TABLE 1930

\$92,890

DESCRIPTION

This table is in a unique octagon-shaped top which sits on top of a solid ebony macassar wood structure. The top features a pattern in the same wood, with the wood grain crossing, creating striking geometric shapes. The boarder of the table is in maple wood, adding a light accent to the rich brown finish on the rest of the piece. This table will be perfect in a dining room and can accommodate a large number of guests. Designed by Antonio Berdondini, year 1930.
