ETTORE SQUARE TABLE 1930

\$13,270

DESCRIPTION

This square table features a unique look that will make a statement when placed in any home. The structure of the table top was crafted in ebony macassar wood, which has been worked using an interwoven technique creating alternating grain patterns. The perimeter edge of this piece is crafted in maple wood for a delicate accent. Any dining experience will be enhanced thanks to this expertly-crafted table. Designed by Antonio Berdondini, year 1930.
