EUCLIDE ROSE GOLD BOWL

\$175

DESCRIPTION

Made of mouth-blown glass, this stunning bowl features a hand-brushed rose gold interior and sterling silver exterior. The glossy, metal finishes enhance the tactile quality of the underlying glass base. The notched rim of the bowl coupled with the textured glass surface are subtle intentional irregularities that make this work truly one-of-a-kind. Part of the Euclide collection, this piece is available in five sizes and colors. Please contact the concierge for details.
