EUPHRATES VASE BY ETTORE SOTTASS - MEMPHIS MILANO

\$1,780

DESCRIPTION

Exuding elegance and eclecticism, this superb vase by Ettore Sottsass was designed in 1983. It is crafted of porcelain and displays the distinctive asymmetrical silhouette and striking use of color of the artist's work for Memphis Milano from 1981-1988. This elegant piece is part of a series of three vases celebrating three different rivers, with the other two being Nile and Tigris. Showcased alone or combined with the others, this will be a stunning object to display on any surface of a contemporary interior.
