EVE VANITY TABLE

\$9,650

DESCRIPTION

This vanity table is a superb object of functional decor, infusing a contemporary bedroom with sleek sophistication while providing storage space, display surface, and a central mirror. The elegant structure is in metal with a satin brass finish that crosses on the side and creates the base for the elongated rectangular silhouette of the table in cinder-colored ash with inserts in the same metal and finish of the base. The leaf-framed mirror can retract into the table.
