EVERGREEN DECORATIVE PLATE #5

\$320

## DESCRIPTION

Handmade and hand-painted ceramic collectible plate. The base in glazed and painted stoneware clay is dishwasher safe. This collection of flat plates is inspired by woods and evergreen plants. Made with different painting techniques, from brush painting to airbrush, they see overlapping leaves and flowers recalling the image of the woods. All plates are single pieces from shapes, sizes and decorations. Designed and realized by Landscape Architect Martina Lignini. Handmade in Italy with love.
