## DESCRIPTION

Mysterious and full of charm, this rug is a stunning choice for a contemporary or classic interior, where it will add elegance to any room in the house. This exquisite rug is knotted by hand in Nepal by master craftsmen who have been collaborating with Illulian since 1959. Its striking design is composed of 50% silk and 50% Himalayan wool. The vegetable- and mineral-dyed threads depict the sumptuous facade of an old building with a distressed effect. For customizations of colors, dimensions, and composition, please ask the Concierge.
