EYE TRIO SET OF 3 TABLES WITH BLACK MARBLE

\$19,980

DESCRIPTION

Handmade using traditional methods with a combination of modern and classic materials, this set of three side tables will be a standout addition to any home. In each piece the base is in high density wood, with a central structure of treated stainless steel cylinders supporting the precious stones of the top. The two semi-circular tables are in black marble, while the single round one is in sunset orange onyx. Either displayed together for a dynamic effect of different colors and heights, or arranged in various areas of a living room or study, these piece will add a majestic flair to a home.
