F4 PICCADILLY BLOSSOM GREEN BENCH

\$4,070

DESCRIPTION

Panels marked by generous curves and intersecting orthogonally create the sleek wooden silhouette of this wooden bench, which is lacquered in sage green in collaboration with Rezina from the catalogs of renowned paint companies. The comfort of the seat is enhanced by a cut cushion, upholstered in a vintage-style fabric whose pattern - Piccadilly - is inspired by the original one popular among designs of London Underground culture of the 1990s.
