Keep Life

FACCIADILUNA PORTABLE LAMP BY ILARIA SPAGNUOLO

\$1,485

DESCRIPTION

A singular object of functional decor that seamlessly transitions from indoors to outdoors, this portable lamp is entirely crafted of Keep Life®, the innovative, eco-sustainable material created by Pietro Petrillo from ground dried fruit shells. Designed by Ilaria Spagnuolo, the lamp features a minimal truncated cone shape with three holes on the flat top filtering the light output with a soft glow. Please ask the Concierge for technical details.
