FACTORY MEDIUM ROSE CEILING LAMP BY ELISA GIOVANNONI

\$3,600

DESCRIPTION

Inspired by the iconic bell metal lamp used in industrial settings, this elegant interpretation is fashioned of brass with a rose gold finish. The ceiling lamp's curves will shine a light over a modern dining table, on a contemporary entryway, or a retro-chic living room. Distinctive details are the casting enclosing the bulb and the anchor hook. The suggested bulb is a 230V E27 max 70W.
