FAENZA DINING CHAIR

\$4,080

## DESCRIPTION

Exuding the sophisticated elegance of 18th century Venetian style, this impeccable chair blends classic aesthetic and expert craftsmanship. Hand painted in black that has been gracefully aged to confer a vintage look, this chair has a rectangular, open backrest accented with an exquisite geometric design, a contoured seat and H-shaped base. The upholstered cover is in an elegant black fabric with golden branches. Whether around a dining table or placed in a special spot in the living room, this unique chair will add visual interest in any decor. Ask the Concierge for available customization.
