## FAITH HAND SCULPTURE

\$1,210

### DESCRIPTION

This unique collector's sculpture will be a stunning sculptural work to display in a living room, foyer or private studio. Entirely handcrafted of bronze, the sculpture is forged in the shape of a hand and defined by a smooth surface with slender, attenuated fingers and wearing a wedding band. The hollow interior allows for a lightweight design. A modern revisitation of antique decorative style, this sculpture will infuse timeless elegance to both contemporary and traditional decors.
