### FALCE F1 CENTERPIECE

\$880

#### DESCRIPTION

This unique and sculptural centerpiece is part of a 12-piece collection by Roberto Monte called "in genesi di forma" (meaning "in creating forms"). Completely crafted by hand using red Pietra di Centola marble, it is a one-of-a-kind that shows the making of its silhouette, captured as if the object weren't finished yet. Only 12 copies exist, each numbered and accompanied by a certificate of authenticity and care instructions.
