## FANGO SALINELLE SET OF 4 TILES #5

\$145

### DESCRIPTION

A uniquely Sicilian masterpiece, these majolica tiles will radiate elegance and traditional sophistication into any interior decor. The tiles are handcrafted of terracotta mixed with ground volcanic stone and subsequently painted and glazed by hand using traditional techniques. The tiles have an intricate mirrored design reminiscent of a kaleidoscope, with elegant large and small scrolls in ivory dominating the foreground juxtaposed against the warm brown background. These tiles are best showcased as a surface, panel, or flooring in a rustic kitchen, dining room, bathroom, or patio.
