## FANNY ARMCHAIR

\$6,685

### DESCRIPTION

This elegant chair will be a sophisticated choice for the modern or traditional home, where it can add seating options to a living room or be featured in a study or bedroom. Its wooden structure with woven elastic belts is padded with polyurethane foam of different densities to create an enveloping silhouette that is ideal for both lounging and entertaining. The velvet denim upholstery complements its soft curves and the gold finish of its metal base. Other finishes are available, please ask the Concierge for details.
