FEBE SET OF AZURE POUF AND 2 SMALL TABLES

\$5,415

DESCRIPTION

An ode to the elegance of pure geometric volumes, this exclusive set comprises a low cylindrical pouf and two interlocking small tables rising from beneath its base. Its cutting-edge design draws inspiration from Phoebe, goddess of the moon in Greek mythology. The pouf has a wooden structure and flaunts a pleasant velvet upholstery in azure, while the two asymmetrical, round tables are in galvanized metal with stain-resistant ceramic tops.
