## FELIX GRAY CHAIR

\$4,370

### DESCRIPTION

This elegant chair exudes mid-century elegance and a contemporary flair. It will be a stunning addition to a modern dining room or refined study. Its structure is crafted of metal with a satin brass finish and comprises four slanted legs and the support for the cushioned seat and curved backrest. The striking upholstery combines Rafa fabric along the exterior and nubuck leather on the interior, both in the same gray hue to create a stunning visual and textural effect. Contract and commercial certifications available upon request.
