FENICE MOTHER OF PEARL BOWL

\$180

DESCRIPTION

Distinctive production process and contemporary aesthetic make this stunning centerpiece a unique, functional work of art. The shallow, bowl-shaped silhouette is crafted of mouth-blown glass and decorated with white mother of pearl and hand-brushed silver. The silver plating on the exterior enhances the natural tactile quality of the mother of pearl interior, creating a striking visual impact. Filled with fruits or fragrant potpourri, this centerpiece will be a statement piece in an entryway or dining room.
