LEAF FENICE SIDE TABLE

\$2,870

DESCRIPTION

This stunning side table is an eye-catching addition to a modern interior, where it will add a dynamic and delicate accent to a living room or study thanks to its sinuous silhouette. The round base and curved stem are in steel with a Corten-like finish that complements the warm hues of the top. Shaped like a dainty leaf, this element is made of durmast and Canaletto walnut in a tonal combination that elegantly mimics the colors and texture of nature in autumn.
