FERRANDO COFFEE TABLE

\$8,185

DESCRIPTION

This sophisticated coffee table boasts a timeless color combination, elegant design, and high quality materials for a look that will enrich both a contemporary and a traditional setting. The rectangular marble top, with a polyester varnish is mounted into a setting in brass with a satin finish. The same metal is used for the four straight legs, connected at the bottom with a pair of sinuous curves. This refined piece can be displayed alone or combined with the others in the same Ferrando collection.
