FERRANDO CONSOLE

\$6,710

## DESCRIPTION

The linear silhouette of this stunning console will be an exquisite addition to an entryway, setting the tone for an elegant home. Its structure in brass with a satin finish comprises a sinuous base that supports a set of four slim legs raising to the narrow rectangular top and creating the mounting for the marble slab that decorates it. The satin finish on the stone enhances the glamorous look of this piece that imbues refined and timeless sophistication in any interior.
