FIFTY TWO BLACK/GREEN MIRROR

\$2,295

DESCRIPTION

Spot-on addition to contemporary decors committed to sustainability values, this oblong mirror with rounded extremities offers two distinct, round mirrored glass surfaces encased within a frame in poplar blockboard that lacquered by hand in black using water-based paint. The ice-green section is decorated with recycled paper, fully revealing its artful character and eco-conscious sensibility. Please ask the Concierge for customizations and pricing of UL certification.
