FIFTYES 2 CHANDELIER

DESCRIPTION

As the whimsical name suggests, this chandelier is inspired by the charm of the iconic 1950s Italian style. Its geometric silhouette is crafted of brass and features ten metal arms radiating like the rays of a post-modern sun out of the center. The conical shapes with striking cut-out round decorations are painted in cream and black, alternating these two contrasting colors to create a dynamic effect. The length of the vertical structure is 120 cm and can be modified upon request, please contact the concierge for details.
