**FILA PETROLEUM GREEN GLASS BY KARIM RASHID SET DI 6**

\$780

## DESCRIPTION

Elegant and modern, this glass was designed by Karim Rashid in 2018 and crafted of mouth-blown Murano glass. Boasting a petroleum-green bottom and a clear top, divided by a wave-like line that brings to mind the patina left on a glass during a wine tasting, this piece will be a unique and sophisticated addition to a contemporary home. An ideal way to serve soft drinks and fresh cocktails, either with identical ones or mismatched with others in different colors.
