FILICUDI TALL COFFEE TABLE

\$5,070

DESCRIPTION

Simple by design, this table showcases a combination of materials that creates an intriguing and bold visual effect. The elegant metal base has a polished bronze finish and features a series of slats arranged in an inverted cone shape on a round base. The distinctive, fence-like design offers the perfect support to the round top made of eucalyptus with a dark finish and wide border. The compact size makes this table a versatile solution for both loft interiors or small rooms. This table is also available with marble top and chrome finish, ask the Concierge for details.
