FINGERPRINT SET OF 2 MOSAICS

\$6,925

DESCRIPTION

This marvelous set of two mosaic panels together recreating an octagonal shape represents a fresh take on the modernist technique of the *trencadís*, renowned for its artful character and chromatic vibrancy. Polychrome dots emerging from white ceramic shards on a background of dull-green ones define their captivating aesthetic, which can be customized. Each piece comes signed by the artist and with its authenticity certificate.
